

Crystalline Waters Pattern - Density Level Tier 2

The idea of creating a crystalline water vibration in your client's energy field means you are transporting the denser frequencies of the kidney and water systems into a higher vibrating frequency. We are transmuting fear into a frequency more in alignment with our heart qi. A crystalline frequency means moving closer to a light frequency.

Comments for ponder!!

Water is a denser form of the fabric of consciousness.

Several Sanjao points along with Ki points align the Inner Spiritual Higher Heart Centre.

Why points that have Celestial / Tian in their name are often in a New Encoding Pattern?

UB22 is the Sanjao Transport Point. What is the significance?

13 Points Pattern than can open the Hidden Heart Gateway.

UB52 Will's Dwelling is about releasing fear!!?.

SJ -15 Tian Ting Celestial Hearing 'Sound *without Sound*' and/or 'One hand Clapping'?

SJ-10 Celestial Well

What is the esoteric understanding of 11. (Du11 Mingmen Fire)?

The other 13 Point Pattern is Discern the Whisper – why would you use Crystalline Waters?

What influence has Mingmen Fire on Swadisthana the 2nd Chakra and the Heart or Anahata?.

Mikio writes extensively with graphics of this New Encoding Pattern in Chapter V pg 433 - pg 476 ***Antahkarana Celestial Fullness Esoteric Acupuncture Volume VI.***

"Fear is the most limiting of all beliefs and states of being because it causes people to "freeze" vibrationally and withdraw into a dense vibrational shell." David Icke
